

Premium Indian Tech Fashion Carnival to Debut in Pune on August 3, 2024

Pune, Maharashtra Jul 7, 2024 ([IssueWire.com](https://www.issuewire.com)) - The Indian Tech Fashion Carnival (ITFC), an avant-garde fusion of fashion and technology, is set to make its grand debut in Pune on August 3, 2024. This premier event marks the first of its kind in India, spotlighting futuristic fashion trends and cutting-edge technological innovations.

Event Details:

- Date: August 3, 2024
- Location: Pune, Maharashtra
- Event Type: Fashion Carnival with Futuristic Technologies

Highlighting Our Esteemed Partners: The ITFC Season One proudly partners with industry giants and prestigious institutions, ensuring a high-caliber event. Our distinguished partners include:

- Reliance Digital
- Reliance Jio
- Reliance Trends
- Fuji Film
- Google Developer Group
- Our Boring Company (Official Connect Partner)

Educational and Industry Collaborations:

- MIT
- Bharati Vidyapeeth
- DY Patil Institutions
- Symbiosis International University
- COEP
- AISSMS
- JSPM

The ITFC is also supported by notable forums and initiatives such as Startup India, Invest India, Skill India, MIDC Maharashtra, Indo-African Chamber of Commerce & Industries, and more, reflecting a robust network committed to innovation and excellence.

Event Highlights: Attendees will experience an unparalleled blend of fashion shows, tech demonstrations, and interactive workshops. This event serves as a platform for designers, technologists, and enthusiasts to converge, showcasing how technology is revolutionizing the fashion industry.

"Our Boring Company is honored to be the official Connect Partner for ITFC 2024, facilitating enhanced networking and technological integration," said the founder of Our Boring Company. "We are excited to contribute to an event that sets a new benchmark for fashion and technology in India."
