

Quicklly and Shubhpuja Announce Partnership to Offer Virtual Puja, Astrology Services in the USA

The partnership gives access to astrological guidance and online puja services by a globally acknowledged mentor, Mr. Harsh Vardhan to the Indian diaspora in the USA.

Chicago, Illinois Jul 29, 2024 ([Issuewire.com](https://www.issuewire.com)) - Quicklly, the most trusted comprehensive Indian online marketplace, recently announced its strategic partnership with a leading spiritual startup Shubhpuja to offer one-of-a-kind online puja, astrology, aura testing, and related Vedic services to the Indian diaspora in the USA.

Shubhpuja, led by renowned celebrity astrologer Mr. Harsh Vardhan and globally acknowledged technocrat, Ms. Saumya Vardhan is known for matching horoscopes, [astrology reading online](#), aura testing services, resolving the complexities around nakshatras to provide personalized end-to-end solutions for career, and health and relationships, and helping customers navigate life with ease.

One of a Kind: Online Puja and Astrology

An online puja is an innovative way of conducting a traditional Indian ritual or puja. With Quickly's video chat facility, people can connect individuals and whole families with experienced Indian Pandits, Brahmins, and Shastris so as to enable live interactions with the Pandits and actively participate in the puja.

Shubhpuja aims to maintain the authenticity and sanctity of traditional pujas and how online puja services should be performed. The Pandits, Brahmins and professionals associated with Shubhpuja are well-versed in the intricacies of Indian rituals and follow the stated procedures and mantras to ensure that the puja is performed in the most traditional and authentic way.

Mr. Harsh Vardhan offers 1:1 online astrology consultation to help you live a life of intention. The first 5-minute consultation comes for free and users can extend their consultation time at nominal fees.

Users can book their slots in advance to receive cosmic insights from a globally acknowledged mentor—trusted by celebrities like Priyanka Chopra and Jasmin Bhasin, as well as seasoned entrepreneurs.

"Our partnership with Shubhpuja shows our commitment to serving Indians in the United States. We empower people to connect with their cultural roots and uphold cherished traditions even when they are away from home by providing access to authentic Indian Vedic services," said Hanish Pahwa, Quickly's co-founder.

"We are very excited to collaborate with Quickly to bring authentic Indian puja and [online astrology](#) services directly to homes across the United States. This collaboration enables us to further our mission of preserving and promoting ancient Vedic traditions by providing tech-enabled access and customized online experiences." Saumya Vardhan, co-founder of Shubhpuja.

Team of Global Recognition and Innovation

Both Quickly and Shubhpuja have established reputations through their innovations in their respective industries. Quickly has changed the way Indian products are made available to people across the world, whereas Shubhpuja is recognized for keeping Vedic traditions and spiritual facilities available to global audiences.

About Quickly

Quickly is a leading online Indian marketplace in the US for authentic traditional products, groceries, and services. It focuses on hyperlocal delivery and customer satisfaction. Quickly helps vendors from regions of India to access the global market via their digital channels to boost cultural exchange and address the holistic needs of the Indian diaspora in the USA.
