

Renowned Cardiologist Jeffrey Thompson, MD, FACC, Leading the Way in Heart Health

**Bringing Extensive Experience and Expertise to Johnson Memorial Hospital and Center For
The Healthy Heart**

New York City, New York Jul 23, 2024 ([Issuewire.com](https://www.issuewire.com)) - Connecticut – Dr. Jeffrey Thompson, a

distinguished cardiologist with a wealth of knowledge in diagnosing and treating various heart and vascular conditions, is making a significant impact in the field of cardiology.

As Division Chief of Cardiology and President of Medical Staff at Johnson Memorial Hospital, as well as a key member of the renowned team at Center For The Healthy Heart, Dr. Thompson is at the forefront of providing exceptional cardiovascular care to patients in the New England Region and beyond. He is a passionate advocate for preventative cardiology and specialized interests such as ischemic heart disease in women, CHF, and stress ECHO for non-ischemic indications.

Dr. Thompson's journey to becoming a leading cardiologist began with his Bachelor of Science Degree from the University of California, San Diego, followed by his Medical Degree from the esteemed Saint Louis University School of Medicine. His dedication to advancing his skills led him to complete his residency at St. John's Mercy Medical Center and his fellowship at the Henry Low Heart Center, Division of Cardiology at Hartford Hospital.

Dr. Thompson is a member of prestigious organizations including the American College of Cardiology (Fellow - FACC), the American Heart Association, the American Society of Nuclear Cardiology, and the American Society of Echocardiography. His numerous board certifications in internal medicine, cardiovascular disease, nuclear cardiology, and echocardiography/TEE showcase his commitment to excellence in patient care.

Dr. Thompson attributes his success to his strong faith and the unwavering support of his parents. His compassionate approach to patient care, coupled with his advanced medical expertise, has earned him the trust and respect of both his colleagues and patients.
