

Renowned Psychologist William L. Buchanan, PhD, ABPP, Celebrates 40 Years of Professional Excellence and Advocacy

Committed to Promoting Mental Health and Well-Being

New York City, New York Jul 26, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Buchanan, a licensed psychologist in Georgia and Board Certified in Clinical Psychology by the American Board of Professional Psychology (ABPP), sees patients at his private practice - North Point Psychology - in Alpharetta, Georgia. With a rich educational background and a diverse range of expertise, he has dedicated his life to serving individuals and families in need of psychological support and guidance.

In regards to his educational background, he attended the University of Georgia and Emory University, where he graduated with Honors, before furthering his education by obtaining a Ph.D. in Clinical Psychology from Georgia State University, specializing in Clinical Child and Family Psychology. His commitment to excellence is evident through his accreditation by the American Psychological Association (APA) for both his doctoral program and internship at the University of Oklahoma Health Sciences Center.

Throughout his career, Dr. Buchanan has honed his skills in various areas of psychology, including psychological evaluations, forensic evaluations, family therapy, neuropsychology, and ADHD. His expertise extends to serving as an Approved Supervisor of the American Association for Marriage and Family Therapy and holding certifications as a Custody Evaluator and Parenting Coordinator. Dr. Buchanan's passion for advocacy is highlighted by his involvement in professional organizations and his impactful contributions to research and publications in the field.

In addition to his professional endeavors, he has been actively involved in community service and advocacy initiatives, including serving as a consultant and supervisor to programs supporting abused children and their families. His dedication to promoting mental health awareness and legislative issues has earned him prestigious awards, including the Karl F. Heiser Presidential Award for Advocacy from the American Psychological Association.

Beyond his professional achievements, Dr. Buchanan's personal life reflects a deep commitment to family and personal growth. Together with his wife, Dr. Linda Buchanan, he has raised two adopted sons, fostering meaningful relationships with their birth mothers through Open Adoption. His passion for outdoor activities, scouting, and martial arts underscores his holistic approach to life and well-being.
