

Renowned Spine Surgeon Mark W. Manoso, MD, with Orthopedic + Fracture Specialists in Portland and Beaverton, Oregon

**Dr. Manoso's Distinguished Career, Commitment to Excellence, and Personal Achievements
Bring Comprehensive Care to Patients**

New York City, New York Jul 12, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Mark W. Manoso, a distinguished spine surgeon and orthopedic tumor specialist, practices with Orthopedic + Fracture Specialists, serving the communities of Portland and Beaverton, Oregon.

With a strong background in military service and a commitment to staying at the forefront of medical advancements, Dr. Manoso brings a wealth of experience and expertise to his practice. His affiliations extend to the Center for Specialty Surgery and Providence St. Vincent Medical Center.

In his practice, Dr. Manoso offers a range of surgical options, from standard procedures to advanced techniques such as multi-level cervical disc arthroplasty and minimally invasive surgery. He remains dedicated to staying current with the latest medical advances to ensure that his patients receive safe and cutting-edge treatments tailored to their needs.

Born into a family with a military background, Dr. Manoso's journey into medicine and orthopedic surgery was shaped by his early experiences and values. After completing his education at the University of Virginia and Johns Hopkins School of Medicine, he pursued his passion for spine and tumor surgery through specialized training and fellowships.

Based on the military's need at the time for an orthopedic tumor specialist, Dr. Manoso completed his first fellowship in surgical oncology at Memorial Sloan Kettering Cancer Center in New York City before returning to the US Army. His assignment at Madigan Army Medical Center in Tacoma, Washington kindled his affection for the Northwest. He deployed twice to Afghanistan, with the second tour as a Forward Surgical Team Commander providing life-saving surgery to our service members and humanitarian care to local civilians. Dr. Manoso then completed a fellowship in spine surgery at Harborview Medical Center and the University of Washington. He returned to Madigan as Chief of Orthopedics before joining Orthopedic + Fracture Specialists in June of 2016.

Having been a sports injury patient and experiencing his own surgery, Dr. Manoso emphasizes the importance of communication and trust in his patient care approach. "I find that ensuring my patients know what to expect and being there for them is fundamental in building a cohesive and caring relationship" he states. His two-decade-long experience with the US military has further strengthened his bond of service to his patients and their families.

With a list of notable accolades and achievements, including Bronze Star Medal 2012; German Armed Forces Proficiency Badge (Silver) 2012; Meritorious Service Medal 2010, 2016; Army Commendation Medal 2007, 2008, 2012; Army Achievement Medal 2011, 2015; Navy Achievement Medal 2008, 2011; NATO Service Medal 2008, 2012; Afghanistan Campaign Medal 2008, 2012; Combat Action Badge 2008; Combat Medical Badge 2008; Alpha Omega Alpha, 1997; Phi Beta Kappa, 1992; Distinguished Military Graduate, 1993; ROTC Regional Bronze Medal of Valor, 1993; Scabbard and Blade Honor Society, 1993; Distinguished Military Student, 1992; Intermediate Honors, 1991; and Golden Key National Honor Society, 1990, Dr. Manoso stands as a respected figure in the field of orthopedic surgery. His blend of expertise, compassion, and dedication to excellence makes him a valued addition to the team at Orthopedic + Fracture Specialists, where he continues to provide exceptional care to his patients in the Portland and Beaverton communities.

Beyond his professional accomplishments, Dr. Manoso has excelled in various sports events, including Ironman Canada 140.6 in 2014, Ironman Lake Stevens 70.3 in 2013, and Ironman Vancouver 70.3 in 2015. His bicycling accomplishments include the Reach the Beach Century Ride in 2012, the Tour de Blast in 2013, the Seattle to Portland one-day ride in 2015, and the Ramrod (150-mile ride around Mt. Rainier) in 2015. Additionally, he has completed multiple full and half marathons, embodying a holistic approach to health and well-being that he brings to his patient care philosophy.
