

Sage Headspa Expands Luxury Beauty Presence with New Location in Winter Park

Luxury meets wellness with Sage Headspa's newest spa locations

Winter Park, Florida Jul 2, 2024 ([Issuewire.com](https://www.issuewire.com)) - Sage Headspa, a leader in luxury beauty and wellness, proudly announces the grand opening of its new head spa location in Winter Park, Florida. Opened June 29, this state-of-the-art spa is poised to redefine beauty by integrating scalp care, facial rejuvenation, and hair health under one roof.

"We're excited to extend our reach and introduce our distinctive, luxury treatments to exciting new destinations," expressed Emily Condle, Founder at Sage Headspas. "Winter Park holds a special place in our hearts, akin to the significance of our inaugural location in Alpharetta, Georgia. We're confident Winter Park will embody that same essence."

Already established in Alpharetta, Georgia; Dallas, Texas; and Palm Beach Gardens, Florida, these head spas feature a range of innovative treatments, including Scalp Detox Treatments utilizing the latest technology, custom Facial Rejuvenation Services, and Hair Health Therapies aimed at nourishing hair from roots to tips. Each spa is meticulously designed with luxury and comfort in mind, offering a serene environment where clients can relax and rejuvenate. From the upscale decor to personalized service, every detail ensures a premium experience.

Sage Headspas will be opening additional spas in Charlotte, North Carolina, and Tampa, Florida during the month of July as well.
