

SAMESG® Wins the Best ESG Platform 2024 at CSR Leadership Summit

Kochi, Kerala Jul 2, 2024 ([Issuewire.com](https://www.issuewire.com)) - As SAM Corporate celebrates a decade of empowering the FinTech industry, we are excited to announce that our SAMESG solution has been recognized as the Best ESG Platform for the Year at the prestigious CSR Leadership Summit & Awards 4.0 held in Hyderabad.

The CSR Leadership Summit & Awards is a premier event that celebrates outstanding achievements in corporate social responsibility (CSR) and environmental, social, and governance (ESG) practices. Winning the award is a testament to our commitment to developing a solution to empower businesses to effectively manage their ESG initiatives.

"This incredible recognition by industry veterans highlights our commitment to excellence in Environmental, Social, and Governance solutions," said Dr. Sunil Kumar K, Co-founder and Managing Director of SAM Corporate. "Our team's relentless innovation has resulted in a groundbreaking platform empowering organizations globally to achieve sustainability. We're thrilled about the positive impact this will have on the future."

"Awarding SAM Corporate the Best ESG Platform of the Year at the CSR Leadership Summit and Awards 2024, Hyderabad recognizes their important contribution to advancing environmental, social, and governance standards. Their dedication to sustainability sets a benchmark for the industry and inspires us all," said Rahul Jain, CEO, of NextGenInnov8.

SAMESG® Solution is a sophisticated, easy-to-install, and simple-to-configure platform with a robust data collection & performance tracking framework. Available in on-premise, cloud & SaaS models, the platform is embedded with Double Materiality Assessment and supports multiple ESG frameworks (GRI, SASB, TCFD, etc.)

About SAM Corporate

SAM Corporate is a Global Fintech Experts headquartered in Dubai and having its offices in the UK, India, and Spain. It has a strong client base around the world representing different sectors and industries including banking, insurance, shipping, construction, manufacturing, healthcare, and consumer goods. With our deep domain knowledge of regulated entities such as Insurance businesses, banking and financial institutions, and their regulatory reporting requirements, SAM Corporate is strategically well-positioned to provide high-quality and custom-made solutions for regulatory reporting.

SAM team consists of 50+ passionate and experienced consultants covering various domains of expertise within BFSI and other industries. Our unique strength is the blend of technology, innovation, and domain expertise combined together by SAM Corporate's passionate team that enabled us to deliver successful projects timely and cost-efficient.

Capitalizing on its deep domain knowledge of regulatory disclosure requirements and its strong FinTech capability with more than 10 years of experience, SAM Corporate has developed SAMESG® solution – an end-to-end technology platform supporting organizations in their ESG Journey. Through its consulting services, SAM assists its clients and the wider business community in adopting a sustainability framework.
