Why Choose Skydive Charlevoix? Safety and Training

At Skydive Charlevoix, safety is our top priority. Our experienced instructors provide comprehensive training to ensure a safe and enjoyable experience. If you've never jumped before, you'll be amazed at how easy the training is and how fun our tandem jumps are!

Accelerated Freefall Program (AFP)

- Prepare for your first solo dive
- Take the class and jump with your own rig in the same day

Stunning Views

Enjoy a bird's eye view of the beauty of Northern Michigan as you peacefully fly back to earth with your

parachute. See the picturesque landscapes, including the shoreline of Lake Michigan, from a unique perspective.

Frequently Asked QuestionsWhat is tandem skydiving?

Tandem skydiving involves a student skydiver attached to a highly experienced instructor via a harness. The instructor guides the student through the entire jump from exit through freefall, piloting the canopy, and landing.

How safe is tandem skydiving?

Tandem skydiving is considered very safe. All equipment and procedures are designed to provide the highest level of safety, and instructors are highly trained to handle any situation.

How much does a tandem jump cost?

Prices vary depending on the location and specific package chosen. Contact Skydive Charlevoix for detailed pricing information and current specials.

What should I wear for my jump?

Wear comfortable clothing and secure footwear. Skydive Charlevoix will provide all necessary skydiving gear.

Conclusion

Skydive Charlevoix offers an unparalleled skydiving experience in Northern Michigan, with new locations and exciting jumps. Whether you're a first-time jumper or looking to get certified through our Accelerated Freefall Program, Skydive Charlevoix has something for everyone. Don't miss out on the thrill of a lifetime. Contact us today to book your jump and experience the breathtaking beauty of Northern Michigan from the sky.

Experience the thrill of skydiving with Skydive Charlevoix. For more information, visit our website or call us to book your jump.
