

Snowflake Gelato Launches New Refreshing Treat: Snow Mangos!

Experience a Refreshing Burst of Summer in Every Bite

London, United Kingdom Jul 26, 2024 ([Issuewire.com](https://www.issuewire.com)) - Snowflake Gelato, celebrated for its luxurious and handcrafted gelato, is thrilled to announce the launch of its newest innovation: Snow Mangos! This delightful creation features a refreshing mango sorbet center, encased in crisp white chocolate and lemon shell, providing a perfect blend of flavours and textures.

"Our Snow Mangos are a true labour of love," says Daniele, their Innovation Chef. "The combination of juicy mango sorbet with a tangy, creamy shell is an absolute delight.

Since its founding in 2012, Snowflake Gelato has been dedicated to using the finest organic ingredients, including Jersey milk and locally sourced seasonal fruits. The brand's commitment to quality and innovation has gathered numerous accolades, including 25 Great Taste Awards. Each batch is handcrafted daily by their skilled gelato chefs, ensuring a fresh and authentic experience.

Snow Mangos are already starting to create a buzz on social media, capturing the attention of gelato lovers everywhere. Experience this unique treat and more at any of their UK locations. For further details, visit: <https://snowflakegelato.co.uk/snow-mango/>
