The upcoming star rapper JÁNEEL has come out with the last part of his trilogy, his new album 'Sapphire Kiss' dealing with the journey of self-discovery.

Seattle, Washington Jul 10, 2024 ([Issuewire.com](https://www.issuewire.com)) - The rising global star in the field of rap, **JÁNEEL** has dropped the last part of his masterfully curated trilogy titled the '[Sapphire Kiss](#)'. This album has the energy and capability to captivate souls and has been doing so since its release. A few months ago the rapper released this album containing ten songs the last one having the same name as

the album. This album is a testament to the journey the rapper has endeavored to become what he is today. The soulful melodies accompanied by lyrics that hit hard are the true embodiment of the artist.

The artist in a recent interview has specifically mentioned two of the tracks from his latest album **'Sapphire Kiss'**. The first is '[Never Found Clown](#)', which is an introspective track dealing with the inner struggles and self-discovery journey of the artist. The highs and lows of life and how the **JÁNEEL** has been resilient to every hard situation in life are portrayed beautifully in this track. The second track mentioned is titled, '[Poseidons Rise](#)' is a bit of a comeback to all the people who have given the rapper a hard time or had counted him out when he was just getting started. In this song, the rapper is full of self-confidence and talks about how he has become better than ever.

The album is a compilation of the various music styles this prolific artist is capable of displaying. Since his debut eleven years ago he has been writing and singing songs about his struggles in life and his journey of self-discovery that has been accompanied by extreme resilience, unwavering determination, and the admirable passion for creating music to share his experience with his fans and the world. According to the young rising star, he is just getting started with his latest album and as of now, it is out of the way for creating unforgettable music that the world will appreciate.
