

Traveling to Foreign Countries is Now Easier with the Newly Improved eVisa

Istanbul, Turkey Jul 10, 2024 ([Issuewire.com](https://www.issuewire.com)) - Traveling to any foreign country requires a valid passport along with a valid visa. Previously, only traditional paper visas were available for foreign nationals which needed them to visit the nearest embassy or consulate. But with changing times and technology, governments from all around the world have launched Electronic Travel Authorizations which is an eVisa. The latest example is Turkey which provides eVisa to its foreign visitors that can be applied and obtained online. This online **visa for Turkey** can be applied from anywhere in the world, the applicant just needs to require documents and a stable internet connection.

Another country that provides eVisas is India where applicants can apply for authorization on the grounds of three purposes of visits; tourism, business, and medical. The online **visa for India** was launched by the Indian Government in November 2014. The Indian tourist eVisa is a multiple-entry visa that is valid for up to 1 year from the date of issuance. This visa is the perfect choice for tourists who are planning for a short stay in the country, allowing them to stay for 30 consecutive days. Know more details at: <https://www.evisaprime.com/country/india>. The **visa for the USA** is valid for 40 different countries that are part of this US visa waiver program. These countries are Andorra, Australia, Belgium, Croatia, Denmark, Italy, Malta, etc. For more detailed information, visit <https://www.evisaprime.com/country/usa>.

Similarly, to get the **visa for Vietnam**, the required conditions include a passport that is valid for at least 6 months after entry to the country, an image of a passport page with a bio, the location details of the stay, a working email address, and a credit or debit card to make the payments. Visit <https://www.evisaprime.com/country/vietnam> for further details. The **visa for Cambodia** must be printed twice and shown at the entry and exit of the country. Moreover, a copy of the eVisa must also be present at all times with visitors while traveling in the Kingdom of Cambodia. Know more details at: <https://www.evisaprime.com/country/cambodia>.
