

Victor L. Mandoff, MD, a Leader in Anesthesiology and Medical Education

Leading Change at UAMS Medical Center and UAMS College of Medicine

New York City, New York Jul 23, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Victor L. Mandoff is a highly esteemed board-certified anesthesiologist based in Little Rock, Arkansas. His illustrious career at UAMS Medical Center has been characterized by a steadfast commitment to excellence in patient care and medical education.

As a Professor in the Department of Anesthesiology at the University of Arkansas for Medical Sciences College of Medicine, Dr. Mandoff imparts his knowledge and expertise to the next generation of medical professionals with dedication and passion. His influence extends beyond the classroom, as he serves as the MOCA Simulation for Anesthesiologists Course Director, showcasing his dedication to advancing medical training and education.

In his role as the Director of the Liver Transplant team and Transplant Anesthesia at the University of Arkansas for Medical Sciences, Dr. Mandoff has been instrumental in enhancing liver transplant anesthesia practices and ensuring the success of complex transplant procedures.

Beyond his clinical and educational roles, he serves as a Medical Expert Witness for Self Employed Services and as an Independent Medical Reviewer for National Medical Reviews, Inc. His thorough understanding and insights make him a trusted resource in these critical processes.

A proud alumnus of the University of the West Indies, Dr. Mandoff completed his internship and residency in anesthesiology at the University of Arkansas for Medical Sciences, followed by a fellowship in critical care at the Cleveland Clinic. His certifications from the American Board of Anesthesiology and the Educational Commission for Foreign Medical Graduates underscore his dedication to professional excellence.

Dr. Mandoff's involvement in numerous professional organizations, including the American Society of Anesthesiologists, the American Medical Association, the Arkansas Society of Anesthesiologists, the Society of Critical Care Medicine, the American Society of Critical Care Anesthesiologists, the Society of Simulation in Healthcare, and the Simulation Education Network, reflects his commitment to staying at the forefront of advancements in the field. His exceptional teaching abilities have been recognized through multiple prestigious awards, including the "Golden Apple Award," "Red Sash Award," and "Educational Excellence Award," a testament to his enduring impact on medical education and patient care. In 2021, Dr. Mandoff also became a Fellow of the American Society of Anesthesiologists (FASA). This is the "highest acknowledgment that recognizes years of dedication to exceptional education, leadership, and commitment to the specialty," per the American Society of Anesthesiologists website.
