Newton Abbot, Devon Jul 16, 2024 ([Issuewire.com](http://Issuewire.com)) - Established in 1979, Western Industrial Products is a leading supplier of high-quality industrial products. Their extensive range enhances workplace efficiency, safety, and organisation, for offices, workshops, warehouses, and various

commercial and industrial settings.

With the new product catalogue, business owners can easily find detailed information about all of Western Industrial Products available in one place.

### What's inside the catalogue?

In addition to showcasing its diverse product line, the new catalogue offers detailed information on essential daily-use products, some product ranges include:

- **Office & Mailroom equipment:** mail sorters, office trolleys and storage units
- **Workshop & Environment:** workbenches, workstations, and drawer cabinets - creating functional industrial environments
- **Safety & Premises solutions:** safety matting, lockers, and barriers designed to safeguard and improve employee well-being
- **Steps & Ladders:** safety steps and warehouse steps for ease of access
- **Racking & Shelving systems:** pallet racking and shelving systems that maximise storage efficiency and organisation

And many more!

Cameron Nimmo from Western Industrial Products expressed his excitement about the new catalogue: "We are thrilled to launch our 2024 product catalogue. Our goal has always been to provide high-quality products that meet and exceed our clients' needs, ensuring a safe, efficient, and productive work environment. This catalogue is a testament to our commitment to quality and customer satisfaction.

"With the launch of our new product catalogue, we wanted to focus on expanding our product ranges while also showcasing a diverse range of industrial products we supply. Whether it's fitting out an empty building or refurbishing an existing workplace, our products ensure a functional, efficient, and safe environment. Certified, tested, and built to exceed industry standards, our products provide comprehensive solutions to enhance operations. We are confident this catalogue will be an invaluable resource for our clients."

### About Western Industrial Products

With over four decades of experience, Western Industrial Products is a top supplier of high-quality industrial products, serving industries across Devon, Gwent (Wales), London, and Worcestershire. Their extensive range includes office and mailroom equipment, trucks and trolleys, steps and ladders, racking and shelving, and much more.

Their expertise and comprehensive services transform empty buildings into functional and stylish workplaces, enhancing efficiency and safety while reducing the risk of workplace accidents and injuries.
