

Wobot Intelligence Inc Welcomes Will Kelso as President (Revenue and Growth)

Foster City, California Jul 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - Industry Veteran Joins Wobot Intelligence Inc. to Drive Revenue and Strategic Growth

Wobot Intelligence Inc., a leader in video intelligence technology, is thrilled to announce the appointment of Will Kelso as President (Revenue and Growth). With an impressive track record in sales and strategic alliances, Kelso brings over 15 years of experience from his previous role as Senior Vice President of Sales & Strategic Alliances at Interface Security Systems.

Kelso's extensive background in the industry and his proven ability to drive revenue and foster strategic partnerships make him an invaluable addition to the Wobot team. His expertise will be instrumental in accelerating Wobot's growth trajectory and expanding its market presence across various sectors, including hospitality, retail, food service, and other major industrial sectors.

Wobot Intelligence Inc. has revolutionized the field of video intelligence by developing a technology that integrates seamlessly with existing CCTV equipment. This innovative solution quickly identifies documents and distributes recorded insights to stakeholders via a user-friendly dashboard, without the need for new equipment. This approach not only makes the technology effective and affordable but also broadens its applicability across diverse industries.

Commenting on the new appointment, Adit Chhabra, CEO of Wobot Intelligence Inc, said:

"We are excited to welcome Will Kelso to the Wobot family. His extensive experience and strategic vision align perfectly with our mission to harness real-time insights from video intelligence. We are confident that Will's leadership will drive our revenue growth and strengthen our strategic alliances, propelling Wobot to new heights."

Kelso's appointment comes at a pivotal time for Wobot Intelligence Inc. as the company continues to innovate and expand its offerings. With a passionate team working from all over the world, Wobot is committed to building the future of video intelligence and partnering with the best in the industry.

Wobot Intelligence Inc.'s technology has set a new standard in video intelligence, enabling businesses to leverage real-time insights from their existing CCTV infrastructure. This capability is crucial for industries that rely on accurate and timely information to make informed decisions and enhance operational efficiency.

As President (Revenue and Growth), Kelso will focus on driving revenue streams, forging strategic partnerships, and expanding Wobot's footprint in key markets. His leadership will be instrumental in achieving Wobot's ambitious growth objectives and delivering unparalleled value to its clients.

Wobot Intelligence Inc. is excited about the future and looks forward to the significant contributions that Will Kelso will bring to the company. With his leadership, Wobot is poised to continue its journey of innovation and excellence in the field of video intelligence.
