

Amir Mahajer, DO, Leading the Future of Nonoperative Spine Care and Rehabilitation

New York City, New York Aug 20, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Amir Mahajer is a nationally recognized expert in nonoperative spine care, with a distinguished career spanning leading institutions such as the University of Miami Interventional Spine Division, The Spine Center at Mount Sinai West, and Baptist Health Center for Spine Care. With a robust background in interventional spine physiatry, Dr. Mahajer has been pivotal in enhancing patient outcomes and elevating clinical excellence within the outpatient care setting.

His unwavering commitment to advancing the field of physical medicine and rehabilitation is reflected in his extensive academic and professional achievements. Dr. Mahajer is double board-certified in Physical Medicine and Rehabilitation and holds a Certificate of Added Qualification in Sports Medicine, alongside fellowship training in Interventional Pain Management. He has served in numerous academic roles, including Assistant Professor appointments at the University of Miami Miller School of Medicine, Icahn School of Medicine at Mount Sinai, and Florida International University.

A leader in his field, Dr. Mahajer has held various key positions, such as Chief Resident and Outpatient Medical Director. He currently serves as the President of the American Osteopathic College of Physical Medicine and Rehabilitation, underscoring his commitment to advancing the profession and supporting

his colleagues. His contributions have earned him prestigious recognitions, including a Fellowship in the American Osteopathic College of Physical Medicine and Rehabilitation.

Dr. Mahajer has been honored with numerous accolades, including being named among Florida and New York's Top Doctors, as well as Rising Stars by New York Times Magazine and a Top Physical Medicine and Rehabilitation Specialist by America's Best Doctors. His significant contributions to medical literature and his dedication to improving spine care have solidified his standing as a leader in his specialty.
