

Clarissa Henson, MD, Leading Innovator in Radiation Oncology, Making Strides in Cancer Treatment

**Renowned Chairman of Radiation Oncology at Trinitas Comprehensive Cancer Center
Demonstrates Exceptional Expertise and Dedication in Basking Ridge, New Jersey**

New York City, New York Aug 6, 2024 ([IssueWire.com](https://www.issuewire.com)) - Trinitas Comprehensive Cancer Center proudly announces Dr. Clarissa Henson, MD, as the distinguished Chairman of Radiation Oncology, a leader known for her outstanding contributions to advancing cancer treatment through innovative radiotherapy technologies. With a stellar background in board certification and previous leadership roles at prestigious medical institutions such as Cooper University Hospital and Monmouth Medical Center, Dr. Henson brings a wealth of experience and expertise to her current position.

Throughout her illustrious career, Dr. Henson has been at the forefront of clinical research and specialized training in cutting-edge radiotherapy technologies. Her focus on clinical trial research, particularly in breast cancer, gynecologic and prostate cancers has significantly advanced the field of radiation oncology. Dr. Henson's expertise extends to various treatment modalities, including intensity modulated radiation therapy, high- and low-dose rate brachytherapy for gynecologic and prostate cancer, breast brachytherapy for partial breast irradiation, and stereotactic radiosurgery for CNS tumors and trigeminal neuralgia.

Dr. Henson's commitment to excellence is further underscored by her impressive publication record, which includes five first-authored publications and a book chapter. Her research contributions have not gone unnoticed, as she has presented abstracts at prestigious national and international meetings, solidifying her reputation as a leading expert in the field of radiation oncology.

Recognized for her outstanding achievements, Dr. Henson has been honored with the A. Robert Kagan Fellowship in Palliative Care from the American College of Radiation Oncology and accolades from the Hispanic American Medical Association of New Jersey. Her dedication to advancing cancer care and treatment advancements continues to make a lasting impact on the medical community and the lives of patients under her care.

In conclusion, Dr. Clarissa Henson stands as a respected leader in radiation oncology, whose unwavering commitment to excellence and groundbreaking research efforts are shaping the future of cancer treatment. Trinitas Comprehensive Cancer Center is privileged to have Dr. Henson at the helm, driving innovation and providing exceptional care to patients in need.
