ENVISION AN EMPOWERED FUTURE

kolkata, West bengal Aug 13, 2024 (IssueWire.com) - It's an absolute honor for Kiki Li and Jayanta Nandi, the Co-Founders of axiusSoftware to be recognized and certified as the 'Top 5 Master Head Leaders Everyone Should Know 2024' by TheCIOTimes.

Founded in 2013 by Jayanta Nandi and Kiki Li, axiusSoftware has expanded from a modest team of

three in Kolkata, India, to a robust international presence with five offices worldwide (India, Singapore, USA, and China). Their journey reflects a vision to harness technology and address complex business challenges through innovative solutions.

With more than 30 years of combined IT experience, the co-founders were inspired by market potential and a shared dream to embark on this entrepreneurial journey and to take axisSoftware to greater heights.

Leadership and Growth Strategy

Jayanta Nandi, with over 23 years of IT experience, including leadership roles in TCS China and Infosys China, is responsible for client relationships, partnerships, and the overall growth strategy. Kiki Li, a Digital Marketing holder from Columbia University and a former TCSer, oversees overall operations, marketing, and finance, driving the company's vision forward. Their leadership fosters a culture of empowerment, innovation, and creativity, emphasizing values encompassing trust, customer focus, and respect for individuals.

“We are deeply honored to be recognized by TheCIOtimes,” said [Kiki Li](#). “This accolade is a testament to the hard work and dedication of our entire team. It reflects our unwavering commitment to delivering exceptional value to our clients and pushing the boundaries of technology.”

[Jayanta Nandi](#) added, “Being named among the ‘Top 5 Master Head Leaders’ is a significant milestone for us. It reaffirms our mission to lead with integrity and innovation. We are excited about the future and remain dedicated to advancing the tech landscape.”
