

Erin Hulfish, MD, Leading Pediatric Intensivist Pioneers Innovations in Critical Care at Stony Brook Children's Hospital

Dedicated Physician and Educator Recognized for Excellence in Pediatric Critical Care Medicine

New York City, New York Aug 5, 2024 ([IssueWire.com](https://www.issuewire.com)) - Dr. Erin Hulfish, a renowned pediatric intensivist at Stony Brook Children's Hospital, is making waves in the field of pediatric critical care through her commitment to innovation and excellence. Serving as the Medical Director of Innovation and Assistant Professor of Pediatrics, Dr. Hulfish's passion for advancing patient care and medical education is evident in her distinguished career.

As an attending pediatric intensivist in the Pediatric Intensive Care Unit (PICU) at Stony Brook Children's Hospital, Dr. Hulfish provides top-notch critical care to seriously ill and injured children in Suffolk County. Her expertise and dedication have earned her a reputation as a trusted physician among her colleagues and patients.

In addition to her clinical responsibilities, Dr. Hulfish is deeply involved in medical education as an Assistant Professor of Pediatrics in the Division of Pediatric Critical Care at the Renaissance School of Medicine at Stony Brook University. Her commitment to teaching and mentoring future generations of medical professionals underscores her passion for advancing pediatric critical care.

Dr. Hulfish's academic journey began at James Madison University, where she earned a Bachelor of Science Degree in Biology in 2006 before pursuing her Doctor of Medicine Degree at Drexel University College of Medicine in 2010. Following medical school, she completed her residency in pediatrics at Thomas Jefferson University Hospitals from 2010 to 2013, where she honed her skills and expertise in caring for young patients.

With dual board certifications in pediatrics and pediatric critical care medicine, Dr. Hulfish is a distinguished Diplomate of the American Board of Pediatrics. Her dedication to pediatric medicine, coupled with her academic achievements and leadership in critical care, make her a valuable asset to the healthcare community.

Dr. Hulfish's pioneering work in pediatric critical care and medical education continues to inspire and elevate the standard of care for critically ill children in Suffolk County and beyond. Her innovative approach to patient care and unwavering commitment to excellence set her apart as a leader in the field of pediatric medicine.
