Milwaukee, Wisconsin Aug 16, 2024 ([Issuewire.com](https://www.issuewire.com)) - From the Back Burner to the Spotlight: Steve Drymalski Returns with SunDown47's Debut Album, "Along For The Ride"

After years of life's twists and turns, Steve Drymalski is back where he belongs—making music. Once the driving force behind the rock band Men Among Thieves, Drymalski took a hiatus to focus on a behind-the-scenes career. But now, he's ready to reclaim the stage with his new band, SunDown47.

Emerging from decades of touring and a wealth of experience, Drymalski has teamed up with a talented crew of musicians from his Milwaukee roots and current Minneapolis home: Joe Barborich, Jeff Hamilton, Dave Schoepke, Nate Head, Sean Jones, and Steve Huebler. Together, they've breathed new life into Drymalski's original songs, quickly transforming their collaboration into a full album.

Introducing “Along For The Ride,” SunDown47’s debut record, a powerful blend of rock history and contemporary sound. This album is more than just music; it’s a culmination of Drymalski’s journey through the industry, having worked alongside legends like Zach Bryan, Neil Young, Soundgarden, Stone Temple Pilots, Pearl Jam, and Aerosmith.

Produced by acclaimed talents Niko Bolas and Dave Lohr, along with Minneapolis studio maestro Brad Matala, “Along For The Ride” promises a sonic experience that feels both unique and familiar. The tracks are infused with the essence of rock 'n' roll, capturing the spirit of a life lived for music.

Join Steve Drymalski and SunDown47 as they embark on this exciting new chapter. “Along For The Ride” is set to resonate with fans old and new, reminding us all of the power of music to inspire and connect.

Stay tuned for the album release and upcoming tour dates!
