

## Get Organic Packages for Spotify Artist Promotion with The Tunes Club

It is time for music artists to find reliable packages for Spotify artist promotion with the leading promotional agency, The Tunes Club. It offers effective packages.

**Florida City, Aug 8, 2024 (IssueWire.com)** - Spotify is one of the most influential and competitive music streaming sites where many artists try to create a successful career. Considering their need for exposure, **The Tunes Club** is here with its exclusive packages which are specially designed for the music artists on Spotify. The agency specializes in music promotion and has been empowering artists since its inception. Well-versed with promotional tactics and marketing trends; this agency can promote songs along with the creators. The best thing about this agency is that every promotional package falls within a reasonable budget and allows artists to take complete advantage of it.

The need for exposure and popularity is more prominent among independent and emerging music artists. They are struggling hard to create a brand presence for their music and professional packages for [Spotify artist promotion](#) can help to get over that struggle. **The Tunes Club** offers four promotional packages and two of them can be also purchased as a weekly recurring service. Starting with the Spotify Marketing Package; is a beginner's package that costs less than \$35. It helps to promote one single track on Spotify which is further shared among 60+ curated playlists and also on social media platforms like Facebook, Instagram, and Twitter to create a social buzz. The company likes to keep transparency with its clients and sends a detailed analytical report when the promotional campaign ends.

The Spotify Promotion Pack costs a little more and allows the promotion of two tracks

simultaneously. In this case, the songs are shared to over 90+ curated Spotify playlists that allow generating up to 7 to 7.5 k listeners. Along with social media marketing, music artists can also gain the benefits of content marketing through press release distribution. The two aforementioned packages can be availed of at a weekly recurring option for those who are planning for a long-term promotion. **The Tunes Club** also offers Spotify Marketing Pro Pack that helps to promote a total of 3 songs which are further shared over 120+ curated Spotify playlists. Other than PR distribution, music artists can also gain the benefits of a music blog which offers more traffic and engagement from credible sources.

Last but not least, there is Spotify Promotion Pro Pack which is the ultimate package to promote a total of four Spotify tracks through 180+ curated playlists. Music artists can gain up to 14,000-15,000 listeners along with the benefits of PR, blogs, and artist reviews. The value of the packages is directly proportional to the magnitude of the results offered by the promotional agency. However, **The Tunes Club** is also renowned for offering occasional discount offers that reduce the price for these fairly reasonable packages. Whether a rapper, a singer, or a DJ; everyone can enjoy the benefits of the services. It is a highly beneficial situation for rising artists who are struggling hard to gain some exposure within a limited budget. Visit the official website to explore more about the services.
