

Henry M. Haire, MD, FACP, a Renowned Internist with Over Five Decades of Experience

Forging a Path of Medical Excellence in Florida

New York City, New York Aug 5, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Henry M. Haire, a distinguished board certified internist with an illustrious career spanning over fifty years, is making waves in the medical field. His expertise and commitment to excellence have solidified his reputation as a trusted healthcare professional.

Licensed to practice medicine in Florida, Dr. Haire has affiliations with prestigious institutions such as Baptist Health Bethesda Hospital East, Baptist Health Bethesda Hospital West, and Baptist Health Boca Raton Regional Hospital. With a strong foundation in nephrology, he previously owned a successful private practice for more than two decades, further showcasing his dedication to providing top-notch patient care.

Dr. Haire's academic background is as impressive as his professional accomplishments. He earned his Bachelor of Arts Degree in Biology and Chemistry from the University of Washington in 1965, followed by a Master of Science Degree in Education in 1967. His medical journey continued at the University of Miami Leonard M. Miller School of Medicine, where he obtained his Medical Degree in 1971.

Subsequently, Dr. Haire completed his internship in Transitional Year at the University of Washington School of Medicine from 1971 to 1972 and went on to finish his residency in internal medicine from 1972 to 1976. His pursuit of excellence led him to a fellowship in nephrology at the University of Washington from 1976 to 1978, further enhancing his specialized skills.

As a Diplomate of the American Board of Internal Medicine and a Fellow of the American College of Physicians (FACP), Dr. Haire's commitment to staying at the forefront of medical advancements is unwavering. He is an active member of esteemed organizations such as the American Society of Nephrology, the American Heart Association, the American Medical Association, the American Society of Hypertension, the Florida Medical Association, and the National Kidney Foundation.

Additionally, Dr. Haire holds an academic appointment as an Associate Professor in the Department of Biomedical Science at the Florida Atlantic University Charles E. Schmidt College of Medicine, where he passionately imparts his wealth of knowledge and expertise to the next generation of medical professionals.

In summary, Dr. Henry M. Haire's unparalleled expertise, vast experience, and unwavering dedication to patient care make him a standout figure in the medical community.
