

Introducing the Ninja Dry Pro 70: The Ultimate Quiet Dehumidifier for Home Comfort

Knoxville, Tennessee Aug 29, 2024 ([Issuewire.com](https://www.issuewire.com)) - Crawl Space Ninja is proud to announce the launch of the Ninja Dry Pro 70, a state-of-the-art dehumidifier designed to keep your home comfortable and moisture-free. With a sleek design, powerful performance, and quiet operation, the Ninja Dry Pro 70 is set to revolutionize home comfort. Available for pre-order now, this top-tier dehumidifier starts at an unbeatable price of \$799.

The Ninja Dry Pro 70 is engineered to extract up to 71 pints of moisture per day, making it an ideal solution for controlling humidity in spaces like basements, crawl spaces, and large rooms. Unlike other dehumidifiers, the Ninja Dry Pro 70 operates with a whisper-quiet hum, ensuring your peace and quiet are never disrupted while maintaining optimal indoor air quality.

Key features of the Ninja Dry Pro 70 include:

- **High Capacity:** Removes up to 71 pints of moisture per day, perfect for large spaces.
- **Ultra-Quiet Operation:** Designed with advanced technology to ensure minimal noise, allowing you to enjoy a peaceful environment.
- **Eco-Friendly MERV Filter:** Comes equipped with a reusable and washable MERV filter, making it not only efficient but also environmentally friendly.
- **Pre-Order Today:** The Ninja Dry Pro 70 is available for pre-order now at the starting price of \$799.

“We are thrilled to introduce the Ninja Dry Pro 70 to our lineup,” said Michael Church, Owner, of Crawl Space Ninja. “This product is the culmination of our commitment to providing high-quality, efficient, and quiet home comfort solutions. We believe our customers will love the Ninja Dry Pro 70 for its performance, sleek design, and ease of use.”

Customers can place their pre-orders now to secure the Ninja Dry Pro 70 at the introductory price of \$799. Don't miss the opportunity to enhance your home's comfort and air quality with this innovative dehumidifier.
