

Kasra Rastani, MD, PhD: A Leading Otolaryngologist Committed to Quality Patient Care in the Heart of San Francisco

Championing Exceptional Ear, Nose, and Throat Care with Unmatched Expertise

New York City, New York Aug 28, 2024 ([Issuewire.com](https://www.Issuewire.com)) - Dr. Kasra Rastani, an esteemed otolaryngologist at Sutter Health, is dedicated to providing exceptional ear, nose, and throat (ENT) care

to his patients in the vibrant city of San Francisco. With over 25 years of experience in the field, Dr. Rastani is known for his comprehensive approach to treatment, emphasizing patient comfort and seamless recovery.

Locally, Dr. Rastani is affiliated with California Pacific Medical Center - Van Ness Campus and Saint Francis Memorial Hospital, where he offers specialized care for a wide range of conditions, including sinus problems, hearing loss, epistaxis (nosebleeds), deviated septum, and rhinitis. His extensive training and commitment to excellence ensure that each patient receives tailored treatment plans that address their unique needs.

A proud alumnus of Rutgers Robert Wood Johnson Medical School, Dr. Rastani graduated in 1998 before completing his internship at St Elizabeth's Medical Center/Lemuel Shattuck Hospital from 1998 to 1999. He further honed his expertise during his residency in otolaryngology at Tufts Medical Center, which he completed in 2003.

Dr. Rastani is a Diplomate of the American Board of Otolaryngology-Head and Neck Surgery, a Fellow of the American College of Surgeons, and an active member of both the American Rhinologic Society and the American Academy of Otolaryngology-Head and Neck Surgery. His dedication to ongoing education and professional development ensures that he remains at the forefront of advancements in otolaryngology.

Outside of his clinical practice, Dr. Rastani leads an active lifestyle. He enjoys cycling, running, and flying as a private pilot. His diverse interests reflect his passion for both personal well-being and professional excellence. Additionally, Dr. Rastani's ability to communicate in multiple languages, including English, Farsi, and Turkish, allows him to connect with a diverse patient population in San Francisco.
