

Leading Psychiatrist Susan Daly, MD, MLS, Enhances Mental Health Services at Jackson + Coker in Connecticut

Bringing Extensive Expertise in Virtual Psychiatry and Comprehensive Mental Health Care to the Community

New York City, New York Aug 19, 2024 ([Issuewire.com](https://www.issuewire.com)) - A board-certified adult psychiatrist, Dr. Daly sees patients at Jackson + Coker in Connecticut. She specializes in adult virtual and remote psychiatry, making her an invaluable asset in today's digital healthcare landscape. Her comprehensive expertise includes dual diagnosis treatment, medical psychiatry, consultation-liaison psychiatry, and

integrative approaches to mental health. She is also skilled in individual and group therapy, telepsychiatry, the treatment of affective and thought disorders, and attention deficit hyperactivity disorder (ADHD).

Additionally, she offers testing and treatment for neurocognitive disorders, intellectual and developmental disabilities, substance use disorders, and utilizes medically assisted therapies such as Suboxone and Vivitrol.

Dr. Daly's academic journey began with a Bachelor of Arts in English and History from Mount Holyoke College, followed by a Bachelor of Arts in Pre-Medical Studies from Connecticut College. She furthered her education by earning her medical degree from the University of Connecticut School of Medicine.

Thereafter, she completed her internship and residency in pediatrics at the same institution and pursued fellowships at notable establishments, including Butler Hospital/Brown University, Yale-New Haven Medical Center, and the Institute of Living/Hartford Hospital.

As a Diplomate of the American Board of Psychiatry and Neurology (ABPN), Dr. Daly is dedicated to advancing the field of psychiatry. She actively participates in professional organizations such as the American Telemedicine Association and the American Medical Association, ensuring she remains at the forefront of advancements in mental health treatment.
