

# **Manish K. Singh, MD, Brings Over 20 Years of Expertise in Neurosurgery to Southern Brain & Spine in Metairie, Louisiana**

**Providing High-Quality, Comprehensive Neurosurgical Care in a Patient-Centered Environment**

**New York City, New York Aug 16, 2024 ([Issuewire.com](https://www.Issuewire.com))** - A distinguished neurosurgeon with over 20 years of experience in the field, Dr. Singh is dedicated to providing top-tier neurosurgical care to

patients in the Metairie area. He currently practices at Southern Brain & Spine and is affiliated with renowned local hospitals, including East Jefferson General Hospital and Tulane Medical Center.

Southern Brain & Spine is committed to ensuring that patients receive timely access to comprehensive, cutting-edge neurosurgical procedures, including brain microsurgery and minimally invasive spine surgery. The expert team, led by Dr. Singh, prioritizes a caring and personalized approach, delivering world-class care tailored to each patient's unique needs.

Academically, Dr. Singh earned his medical degree from Moti Lal Nehru Medical College in Allahabad, India, in 1995. Following his graduation, he completed a residency in Neurological Surgery at Tulane University in New Orleans, Louisiana, where he honed his skills in a rigorous academic and clinical environment. He further enhanced his expertise by completing a fellowship in Complex Spine Surgery and Adult Spine Deformity at the University of Virginia in Charlottesville.

As a testament to his continued education, he is board-certified in Neurological Surgery by the American Board of Neurological Surgery (ABNS), a prestigious certification that reflects his commitment to medical excellence. The ABNS certification process includes a comprehensive evaluation of education, training, and practice qualifications, culminating in rigorous written and oral examinations.

In addition to his clinical practice, Dr. Singh is an active member of several professional organizations, including the American Association of Neurological Surgeons, the Congress of Neurological Surgeons, the American Medical Association, and the Louisiana Neurosurgical Society. He is also a Diplomate of the American Board of Neurological Surgery.

Before joining Southern Brain & Spine, he served as an Assistant Professor in Neurosurgery and Co-Director of the Spine Center at Tulane Medical Center. His academic contributions and clinical experience have positioned him as a leader in the field of neurosurgery, particularly in complex spinal conditions.
