

Michael Duhaney, MD, Appointed System Radiology Chairman at CarePoint Health

Shaping the Future of Radiological Practices in Hoboken and Throughout New Jersey

New York City, New York Aug 14, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Michael Duhaney, serves as System Radiology Chairman at Carepoint Health, leading initiatives to advance imaging technology, improve patient outcomes, and foster collaboration among healthcare professionals. With a commitment to diagnostic excellence, he is set to enhance the quality of radiological services across Hoboken University Medical Center, Bayonne Medical Center, and Christ Hospital.

Bringing over three decades of expertise in the medical field, Dr. Duhaney has honed his skills in various facets of diagnostic radiology. His proficiency in neuroradiology, complemented by basic general interventional skills, positions him as a leader in imaging services that cater to the complex needs of patients.

Dr. Duhaney's educational journey began with a Bachelor of Arts Degree in Chemistry from the University of Virginia in 1985. He then earned his Medical Degree from the University of Maryland School of Medicine in 1989. His illustrious career includes a research fellowship in PET neuroimaging at the National Institutes of Health - NINDS, an internship in internal medicine at Howard University, a residency in diagnostic radiology at NYU Grossman School of Medicine, and a fellowship in neurology at NYU Grossman School of Medicine.

Board-certified in diagnostic radiology by the American Board of Radiology and in neuroradiology by the American Osteopathic Board of Radiology, Dr. Duhaney is also an active member of several prestigious organizations, including the American College of Radiology, the American Society of Neuroradiology, the Radiological Society of North America, and the Medical Society of New Jersey. His extensive training and professional affiliations reflect his dedication to the highest standards of medical practice.

CarePoint Health is excited to welcome Dr. Duhaney into the role of System Radiology Chairman, confident that his expertise will significantly contribute to the organization's mission to provide high-quality healthcare services to the community.
