Hallandale, Florida Aug 18, 2024 ([IssueWire.com](https://www.IssueWire.com)) - Nigeria Reggae Festival 2024 by Andrew Earl Singer for Worldwide Talent Magazine

"Nigeria Reggae Festival 2024 is being hosted by Music Africa Awake MUAFA). Nigeria Reggae Festival (NRF) continuing its tradition by bringing the best Reggae Artists from around the globe to be held in Lagos, Nigeria. The idea and vision of Love, Unity and Peace was first initiated by Prince Emeka Ojukwu (founder Music Africa Awake), in 2015", states Andrew Earl Singer.

"Virtually, the moment after the 2023 Event ended, the arrangement and planning for 2024 was being scheduled. Events as large as the NRF are complicated due to the arrival of Artists, Spokespersons, Media, Travel Arrangements, etc. Behind the scenes and in front of the camera as well as taking care of all of the most pertinent details is overseen by myself", says CEO Prince Emeka Ojukwu "THE PRINCE OF PEACE."

"The event has become one of the most popular events in Africa due to its overall promotion of PEACE, UNITY and LOVE. The event continues to draw people worldwide to perform and attend the yearly festival held in Lagos, Nigeria. The NIGERIA REGGAE FESTIVAL is interviewing Reggae Bands able to perform at the event that can attend without being paid as funding this year is limited.

The Nigeria Reggae Festival is seeking International Artists to perform Reggae Music on stage at this event. Artists who have performed since 2015 understand the paramount importance of this yearly festival and we are honored to have had them perform and continue to promote them", according to Prince Emeka.

"The World Peace Initiative that Prince Emeka Ojukwu known as "THE PRINCE OF PEACE" is actively working on has united several King's of Africa. Prince Emeka and his entourage have personally met with the Kings and outstanding African Civic Leaders and presented Peace Ambassador Awards. These awards are now recognized as worldwide symbols of benevolence.

All musicians performing at the NIGERIA REGGAE FESTIVAL will be given the prestigious title of Peace Ambassadors. These accolades and your attendance will be covered by the media and spread out all over the world for both attending and being an instrumental part of the International Peace Initiative', comments MUAFA Media Director Ambassador Bob Ikediala.

The Kings in Africa have a unified vision of Goodwill and Peace in their own countries and their unification in Africa is reaching beyond the continent. It is this effort by Prince Emeka to bring the Peace Initiative beyond Africa and into the United States of America with his message of PEACE, LOVE and UNITY as he prepares for his trip to the USA and meetings with likeminded people.
