

One of the Top Jamaican Artists, Kingly T Is Spreading Love with His New Track ‘No No No’

Bringing the roots of Jamaica to the UK, Kingly T is here with his sweet and soul-touching latest hit track, ‘No No No’ and the fans are appreciating it a lot.

Indianapolis, Aug 11, 2024 ([Issuewire.com](https://www.issuewire.com)) - The roots of Jamaica and the beats resonating with the familiar yet unique vibes of Rastafarian music are brought to the UK by none other than, one of the top Jamaican artists, **Kingly T**, and his crafts. The artist has commendably incorporated the Reggae with modern pop in his music which not only showcases his immense knowledge about the

art form but it also depicts a picture of his experimental side that is always looking to create something new and interesting. All of this has culminated in his latest track '[No No No](#)'. Although the name might not look affirmative in any way but keeping in mind that this artist is known for her positive lyrics, this track is nothing but a bundle of optimism and positivity.

In the track '**No No No**', the artist portrays a beautiful and sweet picture of him and his beloved who cannot get enough of each other's love. In this world which is full of distrust, unreliability, and insecurity, **Kingly T** talks about the love of purity that is far away from the evil elements of the world. He depicts a picture of a loving and healthy relationship between him and his partner which involves personal spaces and trusting one another in this journey of love. The sense of being bewitched by the presence of one another which gets lost after some time has also been brought back by the magnificent artist in his track. The track was written by the beloved late wife, Mariela Whittle of the singer, who is also the co-writer and produced by Benjamin Jackson.

This top-notch singer has done a fabulous job at infusing Reggae seamlessly with pop that is accompanied by lyrics bursting with positive energy while keeping the conscious roots of reggae style. This Jamaican School of Music major hopes to spread this positivity in this cruel world with his loving and soul-capturing creations like 'Changing Direction', 'Everybody Think They Know', 'Your Love In Me', and 'My Mind-Remix'. All of his songs are streaming on [Spotify](#) and [Apple Music](#).
