

# Pest Clean Pro Launches Affordable Pest Control Services in Brisbane Starting at Just \$149

Homeowners and businesses in Brisbane can now access professional pest control services at an affordable price. Pest Clean Pro, a leading pest control company, is proud to announce the launch of its comprehensive pest control services.

**Brisbane, Queensland Aug 24, 2024 ([IssueWire.com](https://www.issuewire.com))** - Homeowners and businesses in Brisbane can now access professional pest control services at an affordable price. **Pest Clean Pro**, a leading pest control company, is proud to announce the launch of its comprehensive pest control services, with packages starting at just \$149. This initiative is designed to provide effective and accessible pest management solutions to residents and businesses throughout the Brisbane area.

## Affordable and Professional Pest Control

With the rising concerns of pest infestations in both residential and commercial properties, Pest Clean Pro is addressing the need for high-quality yet affordable pest control services. Starting at an introductory price of \$149, Pest Clean Pro offers tailored pest control solutions that ensure your property is safe, healthy, and pest-free.

## Comprehensive Pest Control Solutions

Pest Clean Pro offers a wide range of pest control services, including but not limited to:

- **Rodent Control:** Effective treatments to eliminate rats and mice from your property, preventing damage and health risks associated with these pests.
- **Cockroach Control:** Targeted solutions to rid your home of cockroaches, known for spreading diseases and contaminating food.
- **Spider Control:** Safe and thorough removal of spiders, including venomous species commonly found in Brisbane.
- **Wasp Control:** Expert removal of wasp nests to protect your family and pets from painful stings.
- **Termite Control:** Comprehensive termite inspections and treatments to protect your property from structural damage.
- **Ant Control:** Solutions to eliminate ant colonies and prevent them from invading your home or business.
- **Flea Control:** Treatments to rid your property of fleas, protecting your pets and family from bites and potential health issues.
- **Silverfish Control:** Specialized treatments to eliminate silverfish, which can damage books, clothing, and other household items.

## Special Offer for Brisbane Residents

To celebrate the launch, Pest Clean Pro is offering an exclusive promotion for Brisbane residents. For a limited time, customers can enjoy a full pest control service starting at just \$149. This offer includes a thorough inspection and treatment for common pests, providing peace of mind at an unbeatable price.
