

Renowned Neurosurgeon, Harold K. Smith, MD, FAANS, Brings World-Class Expertise to University Medical Center of El Paso

Enhancing Patient Care Through Cutting-Edge Techniques and Compassionate Approach

New York City, New York Aug 8, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Smith, a distinguished expert in various

neurosurgical disciplines, works with patients at the University Medical Center of El Paso. With a wealth of experience in spinal and intracranial neurosurgery, he is recognized for his pioneering work in fluorescence guidance and awake techniques for complex brain tumor resections.

His extensive expertise encompasses image-guided brain and spinal surgery, skull base procedures, vascular interventions, functional neurosurgery, tumor treatments, and facial pain management. He is a vocal proponent of minimally invasive spine and brain surgery, particularly the innovative minimally invasive parafascicular (MIPPS) techniques. His primary objective is to provide the people of El Paso with top-tier neurosurgical care and advanced technologies within their community.

"I am committed to delivering world-class neurosurgical expertise and compassionate care to the residents of El Paso. Staying at the forefront of neurosurgery while prioritizing personalized patient care has always been my mission," remarked Dr. Smith.

Dr. Smith embarked on his illustrious medical career after obtaining his medical degree from the UAMS College of Medicine in 1988. He completed his residency in neurological surgery at the University of Mississippi Medical Center from 1988 to 1994. Certified by the American Board of Neurological Surgery, Dr. Smith upholds the highest standards in his practice.

Throughout his distinguished career, Dr. Smith has held key leadership positions, including Director of Neurosciences at Las Palmas Del Sol Healthcare, Chairman of the Department of Surgery at Covenant Medical Center, and Section Chief of Neurosurgery at Covenant Medical Center. He is a Fellow of the American Association of Neurological Surgeons and an active member of the American Medical Association.

In his leisure time, Dr. Smith enjoys cycling and keeps abreast of the latest advancements in neurosurgery through publications such as the Journal of Neurosurgery and Neurosurgery.
