Already completed are the installation of new carpeting throughout the entire resort, the introduction of newly redesigned Ipanema Tower suite-sized guestrooms, and the complete renovation of the entire pool complex. Highlights include the new Canteen Food Hall, featuring six innovative dining concepts, and the recently opened Luckley Tavern and Grill, which showcases American flavors with a perfect balance of tastes and textures, reflecting approachability and humility while blending retro elements with rock and roll nostalgia. The most recent addition, the Lapa Lounge, is inspired by the electric vibe of Rio de Janeiro's iconic Lapa neighborhood and has quickly become a resort staple.
