About the Author:

In September 2018, Robert Schaublin-Yanes faced a life-altering event when his husband of 28 years, Romulo, was diagnosed with stage IV cancer during what was meant to be a joyful birthday celebration in Palm Springs. The diagnosis marked the beginning of a journey filled with love, resilience, and profound challenges. Romulo, who was Robert's partner, best friend, and the love of his life, passed away in June 2021 after a courageous battle.

Drawing on this deeply personal experience, Robert has penned "A Daily Dose of Hope: Inspirational Quotes for the Grieving Soul," to offer a source of comfort and hope to others facing the pain of loss. This book is a testament to the strength and love that carried him through the darkest times, providing readers with a small beacon of light in their own path toward healing.
