

Satellite Phone Store Provides Fast Shipping and Hurricane Preparedness Bundles as Tropical Storm Debby Nears

With Tropical Storm Debby approaching, Satellite Phone Store urges residents to prioritize hurricane preparedness. Offering same-day and next-day shipping on essential communication & power solutions, they ensure quick access to necessary equipment.

Tampa, Florida Aug 2, 2024 ([Issuewire.com](https://www.issuewire.com)) - As Tropical Storm Debby forms in the eastern Gulf of Mexico and threatens to drench Florida with heavy rain, Satellite Phone Store is stepping up to ensure residents are prepared for the worst. With the storm expected to bring up to a foot of rain, flash and urban flooding, and tropical storm-force winds, it's crucial to have reliable communication and power solutions in place.

Satellite Phone Store is offering hurricane preparedness packages with same-day and next-day shipping to help residents stay connected and powered during the storm. These bundles include satellite phones, backup power stations, solar panels, and essential accessories.

"Hurricane season is upon us, and with storms becoming increasingly intense each year, preparedness is key," said Britt Wehrman, spokesperson for Satellite Phone Store. *"Our comprehensive bundles ensure you have the communication tools and power solutions you need to stay safe and connected during and after the storm."*

Hurricane Preparedness Bundles:

- **Hurricane ON Essentials:** Stay connected and powered with the Inmarsat IsatPhone 2, 300 voice minutes, 900 texts, and the EcoFlow River 2 Max with a 160W Solar Panel. Save \$283.00.

Price: \$3,314.00 (was \$3,872.00)

- **Hurricane ON Max:** Comprehensive power and communication with the Inmarsat IsatPhone 2, 300 minutes of talk or 900 texts, EcoFlow DELTA Pro Portable Power Station, and a 400W Solar Panel. Save \$1,443.00.

Price: \$4,779.00 (was \$6,222.00)

Key Benefits of Satellite Phone Store Hurricane Bundles:

- **Reliable Communication:** Satellite phones remain operational even when cell towers are down, ensuring you stay connected with loved ones and emergency services.
- **Backup Power Solutions:** Portable power stations and solar panels keep essential devices running during outages.
- **Fast Shipping:** Same-day and next-day shipping options ensure you receive your preparedness bundles quickly, even as the storm approaches.

Five Tips to Prepare for Hurricane Debby:

- **Stay Connected with Satellite Phones:** Ensure your satellite phone is ready to provide a critical communication lifeline during and after the storm (AND future storms & other possibilities).
- **Secure Backup Power Solutions:** Invest in reliable power stations to keep essential devices running.
- **Test Your Equipment Regularly:** Perform test calls and ensure your power stations hold a charge.
- **Keep Extra Batteries and Chargers:** Stock up on extra batteries and portable chargers to extend the usability of your devices.
- **Stay Informed and Plan Ahead:** Use your satellite phone to stay informed about the hurricane's progress and communicate with emergency services if needed.

With the possibility of rapid intensification due to warm waters in the northeast Gulf, it's more important than ever to be prepared. Satellite Phone Store is committed to providing the tools and solutions necessary to weather the storm safely.
