

Stephen Seedial, MD: Visionary Vascular and Interventional Radiologist at Huron Valley Radiology

Innovative Physician Brings Extensive Education and Experience to Enhance Patient Care and Treatment Options

New York City, New York Aug 22, 2024 ([Issuewire.com](https://www.issuewire.com)) - Dr. Seedial, a board-certified vascular and interventional radiologist, brings a wealth of knowledge and expertise to Huron Valley Radiology in Southeast Michigan, providing exceptional patient care and cutting-edge medical treatments.

In regards to his educational background, he completed his medical education at Weill Cornell Medical College, where he developed a solid foundation in the principles of medicine and patient care. Following his graduation, he pursued residency training at Northwestern University, where he honed his skills in diagnostic radiology. He continued his advanced training with a fellowship in interventional radiology at Northwestern University, equipping him with specialized expertise in minimally invasive procedures that can significantly improve patient outcomes.

As a member of the American Board of Radiology, Dr. Seedial achieved board certification in Diagnostic Radiology in 2019 and in Interventional Radiology in 2021. His dual certification reflects his comprehensive understanding of both imaging techniques and interventional procedures, allowing him to provide a wide range of services to patients with various medical conditions.

In addition to his clinical responsibilities, he is an active member of the Huron Valley Radiology Executive Committee, where he collaborates with other leaders in the organization to drive clinical excellence and implement innovative practices that enhance patient care. His dedication to improving healthcare delivery aligns with Huron Valley Radiology's mission to offer the highest quality diagnostic and therapeutic services to the community.

Dr. Seedial is an active educator serving as a core faculty member for the radiology residency program at Trinity Health Oakland and the director of the Early Specialization in Interventional Radiology (ESIR) program. Dr. Seedial has published numerous peer-reviewed articles in scientific journals such as the Journal of Vascular and Interventional Radiology and Journal of Vascular Surgery.
