

## TecnoSelect Launches New Line of Apple Products Featuring the Latest M3 Chip

**Buenos Aires, Argentina Aug 21, 2024 ([Issuewire.com](https://www.issuewire.com))** - TecnoSelect, a leading online retailer of high-end electronics, is excited to announce the launch of its latest collection of Apple products, now featuring the cutting-edge M3 chip. This new lineup includes the latest [Apple MacBook Air](#), MacBook Pro, and iMac models, all available for immediate purchase on the TecnoSelect website.

### Highlights of the New Collection:

MacBook Air 13.6" and 15.3": Equipped with the powerful M3 chip, offering unparalleled performance and efficiency.

MacBook Pro 14" and 16": Designed for professionals, these models come with enhanced graphics and processing capabilities.

iMac 24": Featuring a stunning 4.5K display and the new M3 chip, available in multiple colors to suit every style.

iPad Pro 13": Available in various storage options, including 1TB and 2TB, perfect for both personal and professional use.

"We are thrilled to bring the latest Apple technology to our customers," TecnoSelect. "The new M3 chip represents a significant leap forward in performance and efficiency, and we are proud to offer these

products with immediate delivery.”
