

Time to Go on a Journey With Bjørn Bonde's New Book 'The Fjords on Fire'

The enthralling fantasy saga of 'The Fjords on Fire' by Bjørn Bonde is bound to ignite imagination and a sense of wonder for the historical lands of Viking North.

Oslo, Norway Aug 29, 2024 ([Issuewire.com](https://www.issuewire.com)) - The author **Bjørn Bonde** has been gifted with a passion for writing and he has been nurturing this passion and talent from his teenage years but has not published any of his writings till now. Recently he has put all his focus onto creating his first Novelette, '[The Fjords on Fire](#)' which has led to the creation of a gateway to the universe of the Skjaldborg Sagas. The enigmatic and historical landscapes of the Viking North and their enticing legends and mythologies have been given life into this book which is bound to keep the readers hooked on every single page. The primary genre of the series is historical Viking fantasy fiction which incorporates historical prose, literature, and references and turns them into a wonderful universe of epic Nordic sagas.

According to **Bjørn Bonde** the main message that he wants to deliver to the readers is about a new and unique world that he has created that is historical yet fantastical and is based on traditional Viking history and mythology, with references to archaeological and mythical sagas but portrayed with emotions. The Skjaldborg Sagas are about journeys, discovery, emotions, connections, loss, and celebration. The book is about a Viking farmer Freydis Bonde and her journey that unfolds with raw emotions, profound tragedy, and exhilarating glory. This protagonist is seen to evolve into a heroine while navigating through deep bonds, challenging trials, and personal growth. The world of fantasy laced with real-life struggle and glory is bound to leave the readers wanting for more. Every page will surely captivate the readers' hearts and ignite their imagination.

This Novelette is a part of the MEGIN project and according to the author; writing is just one aspect of having a creative mind. He is also involved in music and is working on his first screenplay for the Skjaldborg Sagas. His deep connections with the Nordic region and its history, inspired by the Viking world and culture have been captured beautifully in this book and his music.
