Lusaka, Zambia Aug 16, 2024 ([Issuewire.com](https://www.issuewire.com)) - Don't settle for uncertainty—secure a second opinion for medical treatment with Leading experts from India. Vaidam Health is offering you an excellent opportunity to access world-class medical care from renowned Indian specialists in oncology and urology. This two-day medical camp will be held on August 22nd and 23rd at St. John's Medical Centre, Woodlands, Lusaka, from 10:00 a.m. to 6:00 p.m. Get expert insights and personalized care from renowned specialists dedicated to your health.

Vaidam Health is a pioneering leader in medical tourism, ensuring seamless access to world-class medical treatments. It is dedicated to connecting patients with top-tier healthcare providers worldwide. Vaidam Health transforms patients' healthcare journeys by providing cutting-edge treatments and ensuring peace of mind throughout their medical experiences.

This upcoming medical camp will offer consultations from two esteemed specialists, Dr. Adwaita Gore and Dr. Ashiq Ali Shaikh Raval. Dr. Adwaita brings a wealth of experience in cancer care, focusing on personalised treatment plans and the latest advancements in oncology to support patients through their journeys. Dr. Raval is renowned for his expertise in urology, addressing a wide range of urinary and reproductive health issues with a compassionate approach.

According to Mr Pankaj Chandna, co-founder of Vaidam Health, This time for the medical camp in Zambia, consultations will be provided for two different specialities. This camp will be beneficial for the people in Zambia for early detection and prevention of cancer and urological conditions. It will also help

the patients who are already getting their treatment done to get a second opinion, which may improve their ongoing treatment plan or reassure them.

[Vaidam Health](#) is a global medical tourism company with an extensive network of over 500 hospitals across countries, including India, Turkey, and Thailand. We have assisted more than 100,000 patients from over 125 countries. Vaidam excels in providing top-notch consultations in a range of specialities, such as oncology, cardiology, orthopaedics, neurosurgery, cosmetics, spine surgery, and organ transplants.

This camp will play an essential role in spreading community awareness, building partnerships, and facilitating cultural exchange, which will thus enhance the overall healthcare experience. The specialists who are experts in their fields will provide invaluable insights and guidance, ensuring that all patients receive comprehensive care tailored to their specific needs.
