Webtage

Naperville, Illinois Aug 15, 2024 ([Issuewire.com](https://www.issuewire.com)) - Webtage, a leading [digital marketing agency](#) and a [B2B digital advertising agency in Chicago](#) is proud to announce that it has been named a Google Partner Agency. This prestigious designation is an exclusive recognition, highlighting Webtage's exceptional performance and expertise in managing Google Ads accounts for its clients.

To earn the Google Partner status, Webtage has demonstrated its commitment to delivering outstanding results for its clients. The agency has maintained an optimization score of at least 70%, spent over \$10,000 per year on Google Ads, and employed certified Google Ads professionals to manage client accounts. This achievement is a testament to Webtage's ability to consistently identify new growth opportunities and generate impressive revenue streams for its clients.

“It is an honor and a major milestone for Webtage to earn Google Partner status and is a testament to our dedication to keeping up with marketing technologies to bring maximum ROI for our clients through paid ad campaigns,” said Snigdha Mazumdar, CEO of Webtage. “We are particularly proud of the elevated capabilities of our agency and I look forward to bringing continued revenue growth for our clients.”

As a Google Partner Agency, Webtage has access to exclusive resources, training, and support from Google, allowing the agency to further optimize its clients' Google Ads campaigns and stay ahead of the curve in the ever-evolving digital landscape.

For businesses looking to enhance their online presence and drive measurable results through Google Ads, Webtage's Google Partner status is a testament to the agency's proven track record of success.
