

20 years of spreading smiles in Everett WA - 19th Avenue Dental - Dr. Yun Kang, DDS, FAGD

Led by Dr. Yun Kang, DDS, the clinic has been dedicated to transforming smiles and promoting oral health for two decades.

Everett, Washington Sep 23, 2024 ([Issuewire.com](https://www.issuewire.com)) - 19th Avenue Dental, led by the highly esteemed Dr. Yun Kang, DDS, FAGD, proudly celebrates 20 years of providing exceptional dental care to the community of Everett, WA. For two decades, the clinic has been at the forefront of cutting-edge dental treatments, spreading smiles and promoting oral health across generations of patients.

Advanced Technology and Personalized Care

Since its inception in 2004, 19th Avenue Dental has remained committed to staying ahead of the latest advancements in [dental technology](#). The clinic is known for its patient-centered approach, offering a blend of precision, comfort, and compassion to patients of all ages. Whether through routine cleanings or complex dental procedures, 19th Avenue Dental ensures every patient leaves with a healthier, brighter smile.

"It's been an incredible journey over the past 20 years," said [Dr. Yun Kang](#), the clinic's lead dentist. "We have continually advanced our practice to make dental care more comfortable and effective for our patients. Our investment in technologies like 3D Digital X-rays, CEREC Same-Day Crowns, and pain-free injections speaks to our dedication to excellence."

At **19th Avenue Dental**, patients can expect a comprehensive range of services, including:

- **3D Digital X-Rays:** Offering accurate diagnoses with minimal radiation exposure.
- **CEREC Same-Day Crowns:** Allowing patients to receive customized dental crowns in a single visit.
- **Intraoral Camera:** Providing a detailed, comfortable examination of the mouth for precise treatment planning.
- **The Wand® "Pain-Free" Injections:** Delivering local anesthesia more comfortably, reducing anxiety for patients with dental fears.

Meet Dr. Yun Kang, DDS, FAGD: A Leader in Dentistry

Dr. Yun Kang brings over 20 years of expertise in general and cosmetic dentistry to the Everett community. He is a specialist in dental implants, Invisalign clear aligners, and cosmetic procedures, and is passionate about providing top-tier care to patients from pediatric to geriatric stages.

Dr. Kang's academic journey began with a Bachelor's and Master's degree in Chemistry from the College of William and Mary, followed by a Doctor of Dental Surgery (DDS) degree from the Virginia Commonwealth University School of Dentistry in 2003. In recognition of his dedication to dental excellence, Dr. Kang earned the prestigious title of Fellow of the Academy of General Dentistry (FAGD), a distinction that few dentists achieve.

In 2021, Dr. Kang's previous practice in Mount Vernon was awarded "**Best Dentist in the Northwest**" by *Bellingham Alive* magazine, solidifying his reputation as a trusted dental professional. Dr. Kang is also an advocate of holistic health and practices '**Body and Brain Yoga and Taichi**,' teaching the benefits of mindful exercises on weekends.
