

A Commitment to Quality Care: Amy Schunemeyer LaBiche, DPM, Brings Expertise to New Iberia with Feet First

Experienced Podiatrist Enhancing Foot Health in the Community

New York City, New York Sep 10, 2024 ([Issuewire.com](https://www.issuewire.com)) - A seasoned podiatrist with over 25 years of experience, Dr. LaBiche is the Owner of Feet First, a dedicated podiatric practice designed to provide top-tier foot and ankle care to the residents of New Iberia and surrounding areas. With a strong commitment to patient care and a wealth of knowledge in the field, she aims to improve the foot health and overall well-being of each patient.

Dr. LaBiche earned her Doctor of Podiatric Medicine from Barry University, where she developed a comprehensive understanding of podiatric medicine and surgery. She has since obtained certification in forefoot surgery from the American Board of Foot and Ankle Surgery, showcasing his commitment to excellence in all aspects of foot care. Her extensive training allows her to diagnose and treat a wide range of foot and ankle conditions, ensuring that each individual receives personalized and effective treatment.

Feet First is equipped with state-of-the-art technology and facilities, allowing Dr. LaBiche to offer a full spectrum of podiatric services, including routine foot care, diabetic foot exams, sports injuries, and surgical interventions when necessary. The practice focuses on patient-centered care, taking the time to listen to patients' concerns and tailoring treatment plans to meet their specific needs.

In addition to providing exceptional clinical care, she is passionate about educating his patients on foot health. She believes that informed patients are empowered patients, and she encourages open dialogue about prevention and treatment options.
