

Alieus Hedge Fund Raises \$1.5 Million in Just 15 Days Since Inception on 7th September 2024, Breaking All Records

Founder and CEO, Mr. Ashish Jain, Leads Groundbreaking Achievement

Dubai, United Arab Emirates Sep 27, 2024 ([Issuewire.com](https://www.issuewire.com)) - **Alieus Hedge Fund**, India's first hedge fund designed for the common man, has achieved a remarkable milestone by raising **\$1.5 million** within just 15 days of its launch. This record-breaking success underscores the fund's innovative approach and rapid acceptance in the market.

Under the leadership of **Mr. Ashish Jain**, Founder and CEO, Alieus Hedge Fund has quickly garnered attention for its mission to democratize hedge fund investing, making it accessible to a broader audience beyond traditional high-net-worth individuals. The fund's unique model has clearly resonated with investors, leading to unprecedented growth in an incredibly short period.

Mr. Ashish Jain, Founder and CEO, shared his thoughts on the achievement:

"Raising \$1.5 million in just 15 days is an extraordinary milestone that confirms the demand for more inclusive investment opportunities. At Alieus Hedge Fund, we are committed to breaking down financial barriers and providing everyday investors with access to strategies typically reserved for the elite. We are proud to have set a new record and look forward to continuing this momentum."

Alieus Hedge Fund's early success positions it as a game-changer in the financial industry, and the team is eager to build on this momentum by expanding its offerings and continuing to drive change in the hedge fund space.

About Alieus Hedge Fund: <https://alieusfund.com/>

Alieus Hedge Fund is the first hedge fund in India dedicated to making hedge fund investment opportunities available to the common man. By providing access to sophisticated financial strategies traditionally available only to high-net-worth individuals, the fund aims to democratize wealth creation.
