

Amber Benson To Narrate Raven Belasco's BLOOD DEMANDS, Second In Blood & Ancient Scrolls Series

Boston, Massachusetts Sep 25, 2024 ([Issuewire.com](https://www.issuewire.com)) - Immoral Influence Publications (IIP) takes its autumn publication season by storm by releasing its third audiobook on **October 22, 2024** — just in time for readers to get ready for Halloween! The BLOOD DEMANDS audiobook by Raven Belasco will be narrated by Amber Benson and produced by Punch Audio.

Amber Benson is best known for her role as Tara Maclay on the iconic TV series *Buffy the Vampire Slayer*. She has directed, produced, and starred in myriad films and television shows since then. Benson has also written numerous books including *Death's Daughter* and has narrated books for authors including John Scalzi and Cory Doctorow.

Speaking about working on the series, Benson explained that Blood Demands “is about coming into your own and finding your family at the same time. The series itself is also about finding out who you are, coming to terms with that, and also letting your found family bring you forward and more into yourself.”

Speaking about the project, Belasco said, “I am so delighted that Amber is continuing to narrate this series. It’s not just about her incredible talent for performing in the recording studio. She is simply the perfect Noosh and we couldn’t do it without her!”

BLOOD DEMANDS is the second installment of the BLOOD & ANCIENT SCROLLS series. This fresh and unique exploration of the vampire myth rolls smoothly cross-genre to check boxes for fantasy, horror, history, and action-adventure fans.
