From Behind the Lens to Real Estate Rising Star: Turning Dream Homes into Reality for Buyers and Sellers Alike

New York City, New York Sep 20, 2024 ([Issuewire.com](https://www.issuewire.com)) - The Paul Hayes Team at eXp Realty is proud to announce that Benjamin Myers has joined their ranks as a licensed realtor, bringing a unique blend of skills and experiences that enhance the real estate services offered in Dillsburg, Pennsylvania. With a commitment to guiding clients through every step of their real estate transactions, he is poised to make a significant impact in the local market.

Armed with a Bachelor's Degree in Digital Media Art and Design from Messiah University, Benjamin is equipped with a creative edge that he applies to real estate marketing and client engagement. His journey into the world of sales began at Outback Toys, where he honed his communication skills by successfully selling toy farm equipment. This early experience laid the groundwork for his later roles, including a summer at Spruce Lake Wilderness Camp, where he created media and provided counseling, further developing his ability to connect with people.

For the past five years, Benjamin has worked with EDU Plus International, collaborating with Inua AI to cultivate and manage a team of real estate photography editors in Nairobi, Kenya. This role not only expanded his professional network but also allowed him to enhance his skills in real estate media and client management. Under his leadership, the team grew from six members to over 100, demonstrating his ability to foster growth and build strong teams.

Now, as he focuses on establishing his real estate business, Benjamin is guided by the exceptional mentorship of Paul Hayes, his team leader. He is dedicated to closing at least one transaction a month, leveraging his diverse background to assist clients in finding and selling their ideal homes. His strong work ethic and innovative approach position him as a valuable asset in the Greater Harrisburg real estate market.

Outside of his professional life, Benjamin is a family man who enjoys soccer and snowboarding. He is actively involved in his church, serving as a sound system operator and greeter, while prioritizing quality time with his wife and two children. With aspirations to one day write a book on therapy, Benjamin continues to explore ways to make a positive impact in his community.
