Mala Mids - The Kamelot 24 Collection

New York City, New York Sep 7, 2024 ([Issuewire.com](https://www.Issuewire.com)) - SNEAKAR, the pioneers in tech-infused footwear, are back with a bold new collection that merges politics, culture, and cutting-edge technology. Introducing the "KAMELOT 24" Mala Mids—a sneaker line inspired by Kamala Harris, designed to redefine the way we wear our values. Forget golden high-tops; it's time for the future with AR adventures

that bring Kamala's journey to life.

“Footwear should be more than just an accessory—it’s a statement,” says Lee Goldstein, One of the founders of SNEAKAR. **“The 'KAMELOT 24' sneakers are not only a tribute to a historic political figure but also a call to action for every American who believes in progress. This isn't just a sneaker; it's a movement.”**

Don't just wear sneakers; walk with your brand. Mark your calendar for 08/24/24 and join the conversation online @sneakarshoeco with #KAMELOT24. Let's make history together!

About SNEAKAR: At SNEAKAR, we blend style, technology, and storytelling to transform ordinary footwear into powerful narratives. Join us in "The Walking Billboard Effect" and step into the future at <http://sneakar.io> @sneakarshoeco on socials
