

Find the Best Music Promotion Services with The Tunes Club

Music artists on Spotify are no longer required to struggle for organic exposure as The Tunes Club can provide that efficiently with the help of its music promotion services.

Cheyenne, Sep 19, 2024 ([Issuewire.com](https://www.issuewire.com)) - Most music artists these days are trying to create successful music careers through Spotify and **The Tunes Club** is here to help everyone. The company is well revered for its highly effective promotional packages that helped to empower numerous Spotify artists. Spotify is currently the most influential music streaming platform where all kinds of music artists are trying to earn based on their musical talents and this agency can help them all, whether a rapper, a music producer, a singer, or a DJ. It offers pocket-friendly packages at a reasonable cost to make sure that even independent artists can avail of it. The packages are quite effective and results last with an impact.

There are a total of four [Music Promotion Services](#) offered by the agency each of them specially designed to create an efficient promotional campaign. Including the benefits of curated playlists, content marketing, and social media marketing; each package is designed to help all the emerging artists and also the emerging ones. **The Tunes Club** specializes in promoting Spotify music and it can offer highly effective results within a short duration.

Firstly, there is the Spotify Marketing Package which helps to promote single track and is specially designed for beginners. It helps to gain up to 3000-3500 listeners by adding the track to over 60+ curated playlists on Spotify. The company also shares the track with over 100K+ Social Media Followers through different platforms like Facebook, Twitter, Instagram, and Pinterest. **The Tunes Club** creates a social buzz for the music artists which allows them to gain not just listeners but also followers and loyal fans. The company makes sure to send a detailed analytical report when the

campaign is over. The benefits of the packages increase with the package type and so does the price.

There is also a Spotify Promotion Pack which is a weekly recurring package and helps to promote two tracks through 90+ curated playlists on Spotify. Other than offering up to 7000-7500 listeners, music artists can also enjoy a paid press release distribution. Followed by the Spotify Marketing Pro Pack, package helps to promote a total of 3 Spotify tracks through playlists. However, this time artists can gain up to 10,000-11,000 listeners along with a Music blog with Paid PR. Lastly, There is the Spotify Promotion Pro Pack which is a premium package that allows promoting 4 tracks simultaneously along with review PR and blogs. It is also a weekly recurring package that can offer up to 14,000-15,000 listeners along with detailed analytical reports.

Music artists can gain an additional 15% discount on the weekly-recurring packages and they are able to stop the subscription at any time they want. **The Tunes Club** is best known for its effective packages and even if an artist finds some difficulties, the customer service is always active to help. Visit the official website to have a better look.
