Toronto, Ontario Sep 14, 2024 ([IssueWire.com](https://www.issuewire.com)) - Today, Fun Foods Canada, announced the launch of its new customizable (with your own brand and concept) mobile carts that can help you grow your business or start a side hustle this holiday season across Canada.

We feel it's time to expand and grow your business with your own branded mobile carts! Great for all types of food and non-food concepts, catering, sampling, and starting your own side hustle in Canada, said Sam Haider, President of Fun Foods Canada.

Fun Foods Canada's carts will bring your business to where the action is! Instantly expand your business with an indoor/outdoor catering and event cart. Attend festivals, weddings, and events. Offer pop-up shops within other stores (store in a store) for extra revenue and business growth. Reach your customers wherever they may happen to be! Low investment to instantly grow your business, expand your reach, increase your revenue streams, advertise your storefront location, and attract new customers. Be in front of your future customers with your own side hustle. So many ideas and concepts you can launch with a low investment and no franchise fees or ongoing royalties!

Launch your own branded concept! We offer complimentary branded customization for your cart so you can launch your own branded concept. When you make a purchase, we will send you the panel design files in PDF format. This will allow your graphic designer to design the cart decals to the proper sizing for printing and installing your business logos and design! Plus get the second bonus of \$2000 in Fun Foods Canada Gift Cards that can be used like cash on Fun Foods Canada.
