Toronto, Ontario Sep 16, 2024 ([Issuewire.com](https://www.issuewire.com)) - If you've never heard of "Halloween Wars", what pumpkin have you been living under? The fan-favourite Food Network series is the ultimate clash of culinary creativity and Halloween mayhem as top cake decorators, sugar artists, and pumpkin carvers go head-to-head in the ultimate scare-fest, competing for the title of Champion! This season promises an even bigger and better with Toronto's own Sarah "Bloodstain" Blostein, award-winning film FX Costumer and Pumpkin Professional at Ahead of the Carve, joining the cast! Her nickname isn't just a striking moniker; it's a grim testament to her body of work! If you've ever wondered who's behind the gut-wrenching gore in shows like *The Last of Us*, *The Boys*, *Chucky*, and *Gen-V*, look no further—Sarah's had her blood-soaked hands all over those productions!

Sarah has a reputation for being an artistic "Swiss Army Knife" due to her background in art, dance, theatre, and everything in between, yet her life-long obsession with the macabre and fine arts expertise is what led her to carve out a niche as a professional pumpkin sculptor. Be sure to watch Sarah's team "Scream of the Crop" - captained Halloween Wars Season 4 champion Kyle Miller with sugar artist Sarah Arnold -on *Halloween Wars Allstars*, premiering Sunday, Sept. 22 at 9 p.m. EST on Food Network and streaming on Discovery+, Stack TV and HBO Max through October.
