

## JK Tech Announces Change of Registered Office Address

**Noida, Uttar Pradesh Sep 30, 2024** ([IssueWire.com](https://www.IssueWire.com)) - [JK Technosoft Limited](#), a global provider of next-generation Digital and Business Consulting Services, part of the JK Org, announces the change of its registered office address. Effective September 25, 2024, the company's registered office has moved to the global headquarters at F-3, Sector-3, Noida – 201301, Uttar Pradesh, India as approved by the Ministry of Company Affairs, Kanpur.

The company aims to inform all stakeholders—partners, clients, and regulatory bodies—of this change and requests that they update their records with the new address for future correspondence and business interactions.

JK Tech looks forward to welcoming partners and clients to the Noida office as it continues its journey of innovation, excellence, and growth in the digital transformation space.
