

Kanguru Matematik Türkiye and Spirit of Math Partner to Bring International Spirit of Math Contest to Türkiye

For the 2024-25 School Year

Toronto, Ontario Oct 18, 2024 ([Issuewire.com](https://www.issuewire.com)) - [Kanguru Matematik Türkiye](#) and [Spirit of Math](#) are thrilled to announce an exciting collaboration that will bring the International Spirit of Math Contest to Türkiye for the 2024-25 school year.

The partnership is a continuation of Spirit of Math's unwavering commitment to promote co-operation, inspire confidence and release the genius in every child all around the world. This collaboration will help attract Turkish students' interest in mathematics and give talented ones the opportunity to showcase themselves in an international competition.

"At Spirit of Math, we believe in changing the equation for math minds around the world," said [Kim Langen](#). "We are proud to support Kanguru Matematik Türkiye in their quest to nurture the interest of students who are talented in mathematics and grow their mathematical problem-solving abilities on a global stage."

Since 2014, Kanguru Matematik Türkiye, an exam preparation organization in Türkiye, has helped more than 100 thousand students prepare for and take the Kangaroo Mathematics Exam (a mathematics competition) every year. By partnering with Spirit of Math, an innovative leader in education, Kanguru Matematik Türkiye continues its mission to give Turkish students access to many mathematics competitions and opportunities to further their mathematical skillset.

"We are pleased to partner with Spirit of Math to provide the best and brightest Turkish students with an opportunity to maximize their potential," said Ozgur Ozdemir, CEO of Kanguru Matematik Türkiye. "Contests like the International Spirit of Math Contest help empower kids to confidently navigate the path to success in math as well as life."

The partnership is one of many collaborations Spirit of Math is undertaking with international organizations to bring the International Spirit of Math Contest to every corner of the world. Competitive events such as these offer children an excellent opportunity to develop important skills such as analysis, problem solving and critical thinking. They also get the personal satisfaction (and motivational boost) of tackling and conquering some of the hardest questions.
