

Katelyn Harrison, MD: An Expert in Musculoskeletal Care at WellStar Health System

Bringing Innovative Techniques and Compassionate Approach to Patient Care

New York City, New York Sep 18, 2024 ([Issuewire.com](https://www.issuewire.com)) - A dedicated orthopedic surgeon, Dr. Harrison is affiliated with the WellStar Kennestone Hospital in Georgia, specializing in the diagnosis, treatment, and rehabilitation of injuries, diseases, and disorders affecting the body's musculoskeletal system. Her commitment to patient-centered care and expertise in orthopedic surgery will significantly enhance the quality of care provided to the Atlanta community.

Education-wise, she earned her medical degree from the Florida State University College of Medicine, graduating in the Class of 2020. She will be graduating from her residency in Orthopedic Surgery at WellStar Atlanta Medical Center/Kennestone Hospital in June 2025, where she honed her skills and gained valuable experience in various subspecialties, including hand, shoulder, knee, hip, foot and ankle, and spine surgery. Her comprehensive training has equipped her with the knowledge and techniques necessary to address a wide range of orthopedic conditions.

Dr. Harrison is passionate about educating her patients on their conditions and involving them in the decision-making process, ensuring they feel empowered and informed every step of the way.

In addition to her clinical work, she is committed to research and education in the field of orthopedic surgery. She aims to contribute to advancements in surgical techniques and treatment protocols, ultimately improving outcomes for her patients.
